

View Council Connect Without Signing In

This tutorial walks you through the steps to find and view information in Council Connect without being signed in. While you can view some information, you must be logged in to register for a course or exam, to purchase anything from the online store, or to apply for SCO or ME certification or organization accreditation.

The screenshot shows the Safety Codes Council website. The top navigation bar includes the logo, contact information (1.888.413.0099 | sccinfo@safetycodes.ab.ca), and a menu with items: Permits & Inspections, Training & Certification, Municipalities, Corporations & Agencies, Council Information, and Council Connect. Below the menu is a large banner image featuring a group of professionals in safety gear and business attire reviewing documents on a construction site. The banner includes the Safety Codes Council logo and the tagline "Alberta: a safe place to live, work, and play". Below the banner is a grid of four service tiles:

- Council Connect**: Complete applications, submit payments, and register for courses using our secure online system. [Log In](#)
- Certification Renewal**: Safety Codes Officers and Master Electricians can renew their certifications quickly and easily. [Renew Certification](#)
- Get a Permit**: Find out who to contact for different types of permits by inputting the location of your project. [Where to Get a Permit](#)
- Storage Tank Management & eServices**: These services are administered by the Alberta Safety Codes Authority. [Permit Forms & Payment](#)

Sign In Page

The screenshot shows the 'Sign In or Create an Account' page on the Council Connect website. The page has a blue header with the Council Connect logo and a 'My Account' link. Below the header is a navigation menu with links for 'My Account', 'Courses/ Exams', 'Learning Path', 'Online Store', 'Credential Search', and 'Help'. The main content area is titled 'Sign In or Create an Account' and includes a sub-header 'Please sign in or create a new user account. If your login information is displayed below, then you are already logged in.' Below this is a 'Login' form with fields for 'Email' (containing 'someone@example.com') and 'Password' (containing 'Password'). There is a 'Remember me' checkbox and a warning 'Uncheck if on a public computer'. A blue 'Login' button is present, along with links for 'Forgot your password?' and 'Create an account'. Below the form is a blue link 'Not a registered user yet?' and a note: 'If you are a new visitor and do not already have a username and login, please register and create a new account.' The footer contains the copyright notice '© 2018 Safety Codes Council. All Rights Reserved.'

1. From the **Sign In or Create an Account** page you can access the following:
