Davis Inspection Services Ltd., a leader in Alberta Safety Code permits and inspections, is seeking a part-time/full-time Electrical Safety Codes Officer (SCO) for the surrounding Calgary areas.

Duties Include but not limited to:

- Perform residential, commercial and industrial site inspections for compliance with the Alberta Safety Codes Act, The Canadian Electrical Code (CEC), and all other applicable codes and regulations.
- Impartially apply and enforce relevant safety Codes and standards, issuing reports and/or notices in accordance with Safety Codes act and applicable regulations.
- Complete all reporting documentation daily in a timely, concise, directive and impartial manner that supports compliance, education and best practices
- Investigate complaints, prepare detailed reports, gather evidence and prepare legal documentation for Court if necessary.
- The Candidate must have excellent oral and written communication skills, excellent organizational skills, use a computer/tablet to generate reports, letters and related documentation
- Ability to work independently and in a team environment
- Able to interpret and apply the applicable codes and regulations in a professional, tactful and impartial manner.
- Must have extensive knowledge and experience using the Alberta Safety Codes Act, Permit Regulations with a working knowledge of STANDATAs, notices, variances, codes and standards.

Qualifications:

- Certification as an Electrical Safety Codes Officer.
- 2 years professional experience as a Certified Electrical Code Inspector - Mandatory
- Training in the Alberta Safety codes system, knowledge of current Permit Regulations, and other trade related regulations.
- Must have a class 5 driver's license and provide recent drivers abstract.

Preference will be given to those with the following qualifications:

- Proficiency with computer related reporting systems
- Above average ability as a 'friendly authority' on matters of safety and strong decision-making skills to navigate challenges and proactively identifying solutions.
- Above average organizational skills and ability to prioritize and work independently and in a team

Please submit resume to Davis Inspection Service Ltd.

Will respond only to those who are Certified by Alberta Safety Code Council as an Electrical Safety Code Officer
