

Job Opportunity: Plumbing & Gas Safety Codes Officer

Location: Central Alberta

IJD Inspections Ltd. is currently seeking a qualified **Plumbing & Gas Safety Codes Officer** to join our inspection services team. We pride ourselves on fostering a respectful and integrity-driven work environment and are recognized as leaders in the Safety Codes industry. Based out of Red Deer, we service numerous municipalities throughout central Alberta.

Position Overview:

The successful candidate will be responsible for reviewing technical documents, including plans and specifications, and conducting inspections of residential, commercial, and industrial sites to ensure compliance with applicable codes and regulations.

Key Responsibilities:

- Conduct site inspections with the utmost professionalism.
- Communicate clearly with contractors and homeowners.
- Prepare and submit detailed and concise inspection reports.
- Understand Quality Management systems.
- Communicate effectively with stakeholders regarding permit status and compliance issues.

Required Skills and Attributes:

- Strong decision-making abilities with impartial judgment.
- Excellent customer service and communication skills.
- Effective time management and organizational skills.
- Ability to work independently and collaboratively within a team.
- Competence in using tablets/iPads for reporting and experience with Microsoft applications

Qualifications:

- Certification (or working toward certification) from the Safety Codes Council in Plumbing Group A & B and Gas Group A.
- Valid Class 5 driver's license and a current driver's abstract.

What We Offer:

- Competitive salary.
- Health Spending Account
- Company vehicle.

Application Instructions:

Interested candidates are invited to submit a letter of interest and/or resume to **admin@ijd.ca**
