

# Continuing Education Offerings

*This schedule was last updated on March 14, 2022 and is subject to change. For the most current course options and registration, go to <https://councilconnect.safetycodes.ab.ca/eWeb/> and search for the course ID. Additionally, you can find Continuing Education opportunities on our website at [www.safetycodes.ab.ca](http://www.safetycodes.ab.ca) by clicking on ‘SCO’ → Continuing Education → Education Opportunities. All workshops mentioned below are worth 5 CE credits.*

## **Workshop: Variances – Gearing Up for Innovation and Safety (100187) - \$25**

This new interactive workshop provides knowledge and tools for anyone involved in the variance process – applicants, reviewers, and issuers. Through collaborative learning activities, participants will discuss the purpose and benefits of variances, explore the safety codes system and the intent of code, and will apply tools to navigate the variance process so they are confident applying for or reviewing and issuing variances.

- **Half-day webinar:** 1:30 – 4:30 p.m.

Dates	Location	Registration open	Facilitator
February 14, 2023	Webinar	January 05, 2023	Chris Contenti & Alex Morrison

## **Workshop: Quality Management Plan Training (100181) - \$25**

This new workshop provides an understanding of the framework, components, and processes of Alberta’s safety-codes system. The roles of the *Safety Codes Act*, Ministry of Municipal Affairs, Safety Codes Council, accredited organizations and their quality management plans (QMP), the QMP managers, safety codes officers, and other personnel are discussed. QMP Training materials are also available as a free, self-paced online course, as well as a paid course including an advisor and final exam; please contact [training@safetycodes.ab.ca](mailto:training@safetycodes.ab.ca) for more information.

- **Half-day webinar:** 1:00 – 3:30 p.m.

Dates	Location	Registration open	Facilitator
February 27 2023	Webinar	January 05, 2023	M. Brodgesell & Alex Morrison

## Permit Issuers Workshop (100180) - \$25

This course is designed for non-Safety Codes Officer permit issuers. It deals with their responsibilities under the Safety Codes Act and Permit Regulation AR 204/2007. Permit Issuers training materials are also available as a free, self-paced online course, as well as a paid course including an advisor and final exam; please contact [training@safetycodes.ab.ca](mailto:training@safetycodes.ab.ca) for more information.

- **Half-day webinar:** 1:30 – 4:30 p.m.

Dates	Location	Registration open	Facilitator
March 21, 2023	Webinar	Jan 05, 2023	Chris. Contenti

## Plan Review – The Big Picture for Safety (100235) - \$25

This workshop is intended for safety codes officers responsible for plan reviews related to permit applications.

- **Half-day webinar:** 1:00 – 3:30 p.m.

Dates	Location	Registration open	Facilitator
January 30, 2023 (General)	Webinar	January 05, 2023	Mark Brodgesell & Alex Morrison
